SPONSORSHIP OPPORTUNITIES

Trauma care knowledge and skills must be continuously updated, refined, and expanded through targeted trauma education. The Region 5 instructional team collaborates with multiple system stakeholders to assess the region's educational needs and address any identified gaps to drive ongoing system improvement. Our team of educators works tirelessly to deliver high-quality, low-cost educational opportunities to our regional community and beyond.

Our presenting partners, sponsors, and vendors allow us to provide frontline responders and other trauma care providers with excellent training opportunities at LOW COSTS. Once again, we are offering ONE sponsorship program for our 2024 R5TRAUMA in-person and virtual trauma education offerings. We hope you will consider sponsoring the coming Region 5 Pediatric Trauma Symposium, the in-person Pediatric Simulation Day, the R5TRAUMA MCI Multiverse, and our other exciting offerings.

While this Pediatric Trauma Symposium will be predominately virtual, we will have in-person vendor booths available at our Pediatric Simulation Day, and we invite you to take advantage of "Virtual Vendor Booths," which we will maintain for an entire year. Here are the templates for our virtual vendor booths: [R5 Education Virtual Vendor Booth Templates](#). If you or your organization are interested in sponsoring our 2024 educational efforts, the following options are available:

Silver Sponsor - \$250.00

- Silver Sponsorship will be noted on event programs, digital brochures, websites, and verbal acknowledgment during our training sessions.
- A vendor table will be provided at the Pediatric Simulation Day in Macon, Georgia.
- Silver Sponsorship "Booth" provided in the "Virtual Vendor Break"

Gold Sponsorship - \$500.00

Donations for Give-a-ways

Exhibitors may donate items to be given away during the Pediatric Simulation Day or educational webinars. Winners can be drawn from our post-course education surveys and online guestbooks, or you can draw winners from names you collect at your vendor table—contact program organizers to plan and schedule your drawing.

Materials in Attendee Packets

Promotional material received from sponsors can be placed in all participant packets that will be distributed to conference participants at conference registration/check-in. There are no additional fees associated with this service so long as the materials are provided to the conference organizers by March 1st Pediatric Trauma Symposium and Pediatric Simulation Day participant packets.

Pediatric Simulation Day Vendor Only - \$150.00

Organizations wishing only to participate as vendors during the in-person Pediatric Simulation Day being held on March 15th can reserve a table for the single offering.

Pediatric Simulation Day Check-in/Set-up

Vendor setup will be on Thursday, March 15, 2023, beginning at 7:00 am. There will be several breaks and two thirty-minute vendor breaks throughout the day. Snacks and refreshments will be served in the vendor area. Lunch will be served at approximately 11:30 am for vendors and 12:00pm for workshop participants.

Sponsor/Vendor Cancellation

Refunds (less a \$50 processing fee) will be made for vendor registration cancellations made in writing to Kristal Smith, RTAC Project Coordinator (region5rtac@gmail.com), prior to February 19, 2024.
